

Curriculum Vitae of
Nadine Swain, CPA

General Background

Ms. Swain has broad base of accounting experience. She started her career as an independent accountant of small to midsize privately held businesses where she focused on the preparation and audit of financial statements. She also prepared income tax returns for corporations, partnerships, individuals and trusts. Ms. Swain used her strong financial experience as a platform for a successful career in forensic accounting. Her expertise in forensic accounting includes the evaluation of claims for lost income/profits, increased operating expenses, as well as inventory and cash losses arising from theft or fraud. Ms. Swain has evaluated a significant number of claims including those arising from high profile events such as Hurricanes Katrina and Ike, California wildfires, New York steam pipe explosion, Midwest flooding and the Deepwater Horizon Oil Spill. In addition to her technical expertise, her interpersonal skills and professionalism make her invaluable in negotiations and explaining technical concepts to non-accountants.
